(1) The validity of this certificate shall be verified on www.info.fsc.org
The list of the products groups included in the scope of this certificate may be obtained from SAI Global Certification Services Pty Ltd upon request or found at www.info.fsc.org. This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is FSC®-certified or FSC® Controlled Wood. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required FSC® Claim is clearly stated on invoices and shipping documents.

Statement of Regulatory Compliance

Product Group: **Recycled Moulded Fibre Tray (Food Contact), Natural and Coloured**
Product Types: **Apple, Avocado**

Certificate issue date: 7 November 2023
Certificate revision date: 7 November 2025
Validity: 2 years from date of issue

Version: 10

Hawk Group hereby certifies that **Recycled Moulded Fibre Tray (Food Contact)** ('intended produce') are in compliance with relevant Food Contact legislation in place in New Zealand, Australia, the European Union (EU) and the United States of America.

Product is manufactured from recycled fibre (post-consumer, pre-consumer) that has been cleaned to meet food hygiene standards.

Applicable Legislation

The PRODUCT complies with the Food Contact legislation listed below and is subject to the conditions and specifications identified below:

1. United States Food and Drug Administration (US FDA) food additive regulations as set forth in the Code of Federal Regulation (CFR) Title 21 Parts 170 through 199.
2. European Regulations:
 - (EC) No. 1935/2004 of the European Parliament and the Council of Europe (CoE) of 27 October 2004 on materials and articles intended to come into contact with food
 - (EC) No. 2023/2006 of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food
3. New Zealand Food Act 2014, section 12(5), current at 01 January 2016.

General Conditions of Use

The PRODUCT is manufactured under good manufacturing practices (Hawk is certified to AS/NZS ISO9001) that are consistent with the Council of Europe's (CoE) Policy Statement concerning paper and board materials and articles intended to come into contact with foodstuffs, Version 4 (12.02.2009).

The intended conditions of use of the PRODUCT without degradation of properties are single-use storage, either unused or containing the intended produce (specified above), in a clean, dry environment protected from sunlight and temperature extremes exceeding -10°C to +40°C, for up to two years.

The present certificate does not warrant against modifications of the PRODUCT resulting from processing or from addition of other products, other than the intended produce, nor against any inadequate use and/or storage of the PRODUCT or the materials and articles containing it. The present certificate also does not warrant against modifications that are made in applicable legislation since the date this certificate was issued.
