Hawk Group Limited hereby certifies that Moulded Fibre Fruit Trays 'intended produce' in compliance with relevant Food Contact legislation in place in New Zealand, Australia, the European Union (EU) and the United States of America.

Applicable Legislation

The PRODUCT complies with the Food Contact legislation listed below and is subject to the conditions and specifications identified below:

1. United States Food and Drug Administration (US FDA) food additive regulations as set forth in the Code of Federal Regulation (CFR) Title 21 Parts 170 through 199.
2. European Regulation (EC) No. 1935/2004 of the European Parliament and the Council of Europe (CoE) of 27 October 2004 on materials and articles intended to come into contact with food, and EC No. 2023/2006 of 22 December 2006.
3. Recommendations of the German Federal Institute for Risk Assessment (BfR), Recommendation XXXVI – Paper & Board for food contact (general purpose), updated 01/06/2007.
4. Food Standards Australia New Zealand (FSANZ) Standard 1.4.3 – Materials in Contact with Food, and Standard 3.2.2, Division 3, 9 – Food Packaging.
5. New Zealand Food Act 1981, section 9(4)(c), current at 01 January 2014.

General Conditions of Use

The PRODUCT is manufactured under good manufacturing practices (accredited AS/NZS ISO 9001:2008) consistent with the Council of Europe's (CoE) Policy Statement concerning paper and board materials and articles intended to come into contact with foodstuffs, Version 3 (11/12/2007).

The intended conditions of use of the PRODUCT without degradation of properties are single-use storage, either unused or containing the intended produce (specified above), in a clean, dry environment protected from sunlight and temperature extremes exceeding -10°C to +40°C, for up to two years.

The present certificate does not warrant against modifications of the PRODUCT resulting from processing or from addition of other products, other than the intended produce, nor against any inadequate use and/or storage of the PRODUCT or the materials and articles containing it. The present certificate also does not warrant against modifications that are made in applicable legislation since the date of issuance of this certificate.
